

Austin Moto Adventures Founders Club Membership Agreement

- **Purpose:** The Austin Moto Adventures Founders Club (hereinafter referred to as "the Club") is a group of motorcycle enthusiasts who enjoy riding together and exploring various routes. The Club is not a commercial tour operator and does not provide guided tours. All rides are self-guided, and members are free to choose their own routes.
- **Membership:** Membership in the Club is open to individuals who share a passion for motorcycling and agree to abide by the terms of this Agreement.
- **Self-Guided Rides:** All Club rides are considered self-guided. This means that each member is responsible for their own navigation, route selection, and safety. While experienced Club members may suggest or lead rides, these are not considered guided tours. Members are free to join or leave any group ride at any time and ride any route they choose, independent of any group.
- **Group Riding:** From time to time, Club members may choose to ride together as a group for portions of rides or entire rides. Even when riding as a group, each member remains responsible for their own navigation, safety, and decisions. The fact that a Club member suggests or leads a route does not constitute a guided tour. The Club, its leaders, and other members assume no responsibility for the routes chosen by individual members or the group as a whole.
- **Rocky Mountain Expedition:** The Austin Moto Adventures Founders Club Rocky Mountain Expedition is a group ride throughout multiple states along the Continental Divide. **Under no circumstances is the Rocky Mountain Expedition to be considered a guided tour.** All participants are responsible for their own navigation, route selection, and safety.
- **Rocky Mountain Expedition Fees:** Fees paid to the Club for the Rocky Mountain Expedition Ride cover the costs of lodging and food services only. These fees do *not* include any guiding services. The Club does not provide guiding services on the Rocky Mountain Expedition Ride or any other ride.
- **Assumption of Risk:** Motorcycling is an inherently dangerous activity. By participating in Club rides, members acknowledge and assume all risks associated with motorcycling, including but not limited to:
 - Accidents and collisions
 - Road hazards
 - Weather conditions
 - Mechanical failures
 - Personal injury or death
- **Release of Liability:** Members agree to release and hold harmless the Club, its leaders, and other members from any and all liability for any injury, loss, or damage arising from participation in Club activities, including but not limited to Club rides.
- **Indemnification:** Members agree to indemnify and hold harmless the Club, its leaders, and other members from any and all claims, demands, or lawsuits arising from their participation in Club activities.

- **Conduct:** Members are expected to conduct themselves in a safe and responsible manner while participating in Club activities. This includes obeying all traffic laws and respecting the rights of other riders and the public.
- **Termination:** The Club reserves the right to terminate membership for any reason, including but not limited to violation of this Agreement or conduct that is deemed detrimental to the Club.
- **Agreement:**

By signing this Agreement, members acknowledge that they have read, understood, and agree to be bound by the terms and conditions outlined herein.
